Subject: California State Information Technology Strategic Plan Roadmap
Importance: High

This email is being sent to all California IT Leaders on behalf of the State CIO, Clark Kelso.

Good day, my friends.

This year instead of publishing another California State IT Strategic Plan, we developed and published to the State CIO web site the ***California State Information Technology Strategic Plan Roadmap*** <http://www.cio.ca.gov/pubs/Roadmap.html>. Please review this public document that soon will be shared with the Governor's Office and some legislators.

Please forward your comments, input or corrections to me at **ckelso@pacific.edu** and **claudina.nevis@gov.ca.gov** by COB Thursday, 12/20.

A special thanks to all the people who contributed to this effort and publication.

Happy holidays!

Clark Kelso
Chief Information Officer
State of California
